## OFFICIAL

**JANUARY HEALTH EDUCATION AND WELLNESS PROGRAM—FOODS THAT FIGHT DISEASE:** What you eat can make a big difference in how you feel, how healthy you are, and maybe even how long you live. Researchers are discovering that some foods act like medicine and can contribute to illness or promote health. How do you choose the right foods and why are some so good for you and others so bad? January's health program will look at foods that fight disease: fruits and vegetables, whole grains, nuts, beans, legumes, low-fat milk and yogurt, and fish. It will include information on phytochemicals, how to cook food to ensure maximum nutrition, natural and home remedies that work, and what foods fight specific diseases. Your diet can be one of the most important components of a healthy lifestyle. Take the time to learn more about the foods you eat and choose wisely. Packets will be available at all medical facilities and upon request to Carol Roth, BOC-005, 867-2026. (JJ-C)

**FEBRUARY HEALTH EDUCATION AND WELLNESS PROGRAM—1998 HEART DISEASE SCREENING:** Screening for cardiovascular disease risk factors and diabetes will be offered to all KSC and CCAS employees. Blood pressure, blood cholesterol, triglycerides, glucose, HDL, cholesterol/HDL ratio and risk factor will be evaluated. TESTING REQUIRES YOUR PERMISSION AND 12 HOURS OF FASTING (WATER ONLY—NO OTHER FOOD OR DRINK) before the procedure. BLOOD PRESSURE AND OTHER PRESCRIPTION MEDICATIONS SHOULD BE TAKEN WITH WATER ONLY, BEFORE SCREENING. Heart disease questionnaires will be available at all medical facilities during hours of operation. Complete the lab slip and questionnaire and bring them with you the morning of the screening. NO APPOINTMENT IS NEEDED. The schedule is as follows:

The purchase of nonstandard items is prohibited unless justification for exception, e.g., when standard items will not meet the storage and retrieval requirements of the user, is submitted and approved. (FF-S2-A)

**FEDERAL EMPLOYEE HEALTH BENEFITS FOR MILITARY RETIREES:** CHAMPUS coverage for military retirees is automatically transferred from CHAMPUS to Medicare coverage upon attaining the Medicare eligibility, at age 65. Employees have 31 days from the date of loss of CHAMPUS to enroll in a Federal Employees Health Benefit (FEHB) plan. Military retirees who are thinking about retiring from civilian service before reaching Medicare eligibility are reminded: to have FEHB coverage as retiree, an employee must be enrolled at the time of retirement; to insure coverage, they should enroll in an FEHB plan that takes effect before the retirement date elected. To keep FEHB after retirement, employees must be enrolled for at least 5 years; and coverage under CHAMPUS counts towards eligibility to carry FEHB into retirement. Questions regarding health benefits should be referred to Jeri Huneycutt (867-4786), Sharon Lowry (867-2514), or Kathy McIntosh (867-2504), Benefits Team, Personnel Office, Headquarters Building, Room 1404. (HM-A-3)

**RETIREMENT:** Individuals contemplating retirement should contact Sharon Lowry, Retirement Counselor, Personnel Office Benefits Team, 867-2514, for an appointment at least 30 days prior to their projected retirement date. (HM-A-3)

**USE OF FEDERAL PROPERTY:** There are statutory and regulatory prohibitions against the use of Federal property, facilities, and equipment for personal purposes. These prohibitions apply to such items as Government vehicles, office supplies, FTS (Federal Telecommunications Systems), Datafax, computers and network capabilities, reproduction equipment, tools, and a variety of utility and other items. This also applies to equipment provided by the Government for contractor use and to items issued to the Government. Employees have a positive duty to protect and conserve such items and other property entrusted to them. (HM-A-3)

**EMPLOYEE ASSISTANCE PROGRAM:** All employees are reminded the Employee Assistance Program offers free, confidential counseling to all Kennedy Space Center and Cape Canaveral Air Station employees. Appointments are necessary to ensure adequate time. This program is available Monday through Friday, 7:30 a.m. to 4:00 p.m. Appointments may be made by calling 867-7398. (JJ-C)
